

## Accidental Injury Cover

For only **£2.75** per pet per month, you can include Pet Accidental Injury Cover Insurance providing insurance cover in the event your animal suffers an accidental injury caused by external trauma.

This supplementary insurance can be added to your monthly payment for your pet's routine treatments. It provides cover for the cost of treating accidental injuries up to **£2,500** per incident, subject to an excess of **£75**. Total claims in any 12-month period may not exceed **£5,000**.

The pet accidental injury insurance product is subject to the full terms and conditions, which can be found in the Pet Accidental Injury Cover Insurance Policy document and is underwritten by Allianz Insurance plc.

At **Westport Veterinary Clinic** we want to make preventive health care easy and affordable, to help you give your pets the best care possible. We believe that prevention is better than cure, rather than waiting until a pet is ill and suffering to put things right. Early diagnosis of health problems will help your pet to live a long and healthy life.

**Friends of Westport** is not pet insurance. It covers the essential treatments your pet needs throughout life, such as vaccinations, flea and worm treatments and regular health checks. Extra benefits of the plan include discounts on many other products and services at the practice.

Read on for more information, or speak to one of our team today to find out more about our plan.
